

## JOIN THE EU RESEARCH EVALUATION SYSTEM

Announcement to scientists and other experts active in the field of Food, Agriculture and Fisheries, and Biotechnology Research

The European Commission launches on a regular basis Calls for research proposals to be submitted by European and International Consortia.

In particular, on 30 July 2009 the KBBE-2010-4 Call has been published under the Food, Agriculture and Fisheries, and Biotechnology theme with a total indicative budget of EURO 190 millions. Furthermore 3 related Calls: on Africa, the Ocean of Tomorrow, and ERANETs have been also published in parallel.
